Executive Exchange

Dear Ms. Walker:

The Central Intelligence Agency appreciates your invitation, and the personal interest shown by Peter Sherer, to have one of our executives participate in the President's Commission on Executive Exchange. This program has been brought to the attention of our office directors, but unfortunately, we do not have anyone to nominate for the 1987/88 program.

The President's Commission on Executive Exchange would offer a unique experience for one of our officers, and hopefully, we will be able to identify someone to participate in the future.

Sincerely,

Director  
of  
Training and Education
